OFFICIAL WELCOME TO NATION'S FLEET

Prime Minister of New Zealand
and His Cabinet Receive
Admiral Sperry.

VENIR ALBUM IS
GIVEN FOR PRESIDENT

Commander of the Navy Dwells
upon Work Being Done in
Interest of Peace.

CLACKLAND, N. Z., Monday, Aug. 9.—Cloudy weather greeted the land-
ing of Admiral Sperry, com-
mander-in-chief of the United States
fleet, and his officers to receive
welcome at the hands of Prime
Minister Sir Joseph George Ward on
the day of the government. The landing
made at the newly erected quay at
Foot of Queen street, the city's
most thoroughfare, at the shore end
of which an elaborately decorated stand
had been erected for the reception.
Seated about the prime minister
were the members of the cabinet and
representatives of various towns, bor-
oughs and county districts of the do-
minion thronged the streets
and the verandas and roofs of houses
were moving masses of hu-
manity.

Given Great Reception.

As a great reception and un-
derstanding prevailed. In his
speech Sir Joseph eulogized President
Taft as representing the best tra-
dition of the common blood of civil-
ization. He then presented to Admi-
ral Sperry a souvenir of the visit of
the American fleet to New Zealand. To
Admiral Sperry was given a beautifully
illustrated album of welcome, en-
closed in a handsome case of wood,
an inland cover, having a design
of the American flag.

Work Done for Peace.

Admiral Sperry in reply dwelt upon
the work in furtherance of the
peace of the world that is being done
by the people of America and on
the part of the United States navy.
He declared that the fleet was
growing in magnitude daily. He
mentioned the meeting of the British
and American fleets at Auckland made
for the purpose of the principles of
peace conference and Anglo-
American relations.

The ceremonies of welcoming
government, a procession was
formed, being through Queen
street, where Admiral Sperry, ac-
companied by his staff, was
met by the Mayor, Mr. J. H. Myers,
and other officials.

Interview today Admiral Sperry
made for the purpose of the
cruise of the fleet from San
Francisco to New Zealand, was
the active work of the men
who learned in coaling made
trips hitherto not possible. He
mentioned the steamer from Honolulu
to the coaling. The admiral
made a splendid record of the
tactical work and gunnery
of the fleet.

Admiral Sperry's message to
the people of Australia says:
"I am glad to have visited Australia
and away the most pleasant
of my journeys."

Officers and men of the Atlan-
tic fleet now at Auckland,
ready to go to a better ac-
commodation for the purpose of
the fleet, to whom we feel
deeply related, and with whom
many interests are common."

PLANNING
RECEPTION AT HOME

CLACKLAND, Aug. 9.—Tentative
plans already made by the
committee for the reception of
the fleet at the coming of the
fleet, and it all goes well that
it will arrive in United States
waters on the 22nd of next February.
The fleet has been pre-
sented, and thus far it
followed with clocklike pre-
cision.

Way to Manila, has not lost
sight of regular forma-
tion. The fleet has been
on the day it left Hamilton
at the present time. It is re-
ceived authorities that the fleet
will be received in the Pacific
by the journey around the world.

CLAYTON CONFIDENT OF BRYAN VICTORY

Chairman of Committee on Notifi-
cation Reaches Lincoln and
Makes Statement.

FINDS THAT SENTIMENT
IS GENERALLY DEMOCRATIC

Candidate Spends the Day at
Fairview Home, Taking a
Good Rest.

FAIRVIEW LINCOLN, Neb., Aug. 9.—Enthusiastic over the prospects of
Democratic success in November, Rep-
resentative Henry D. Clayton of Ala-
bama, chairman of the committee on
notification of William J. Bryan of his
nomination for the presidency, arrived
in Lincoln today. He was accompanied
on the journey from St. Louis by Dr. J.
W. McClure of Sedalia, Mo., a member
of the committee.

"You can say that I have every con-
fidence in the election of Bryan and
Kern," said Mr. Clayton. "The whole
sentiment of the country is in that di-
rection."

On the way to Lincoln from his Ala-
bama home, Mr. Clayton took occasion
to engage as many men in conversation
as he could as to their political views.

Found Majority for Bryan.

"I found a majority of those with
whom I talked for Bryan," said he.
"I met many traveling men and only
one declared himself out and out for
the Republican candidates."

Mr. Clayton said that the "rock-
ribbed" Democrats were not much in-
terested in the election because they
intended to vote the Democratic ticket
anyway.

"But," he declared, "the men who
have not heretofore voted for Bryan,
but who propose to do so this year, are
the ones who are enthusiastic."

Chairman Clayton criticized Judge
Taft's speech of acceptance for having,
as he said, dodged the Chicago plat-
form. "That speech is weak and in-
ane," he declared, "but it estab-
lished one fact, and that is that the
Republicans have beat a retreat and
that they are on the defensive."

Feeling fatigued after his journey,
Mr. Clayton determined to postpone his
visit to Mr. Bryan until tomorrow.

Bryan Takes a Rest.

The whole of today was spent by Mr.
Bryan resting. It so happened that the
pastors of both the churches at Fair-
view, where Mr. Bryan and his family
usually attend services, and the Second
Presbyterian church in Lincoln, were
absent from their charges today, and
he consequently remained at home. The
family, however, indulged in their
Bible readings.

The fact that he had performed no
work of any kind today, but had
lunched around the house getting a
much-needed rest, was commented upon
by the Democratic nominees. "I feel
very well," he said, "I never felt bet-
ter in my life," and he looked the
part.

Mr. Bryan is looking forward to the
visit of Chairman Mack with a good
deal of anticipation. The conference is
expected to develop much of interest in
the political world.

GRUDGE MAY ACCOUNT
FOR BRUTAL ASSAULT

SAN DIEGO, Cal., Aug. 9.—For the
third time within sixty days Mrs.
Marble Wetmore, wife of a street car
man, was last evening the victim of an
assault, probably by the same man,
at her residence on Thirtieth street
and National avenue. A warrant was
issued for Louis Seibel, but it has not
yet been served.

Last night when Mrs. Wetmore and
her baby were alone in the house a man
entered and knocked her unconscious,
when she regained her senses she found
the house was on fire. She snatched
the baby from the bed, which was burn-
ing, and made her way to the street.

The fire department extinguished the
flames and an investigation showed that
the room had been fired in four different
places.

Mrs. Wetmore states that six years
ago when a girl living with her parents,
Mr. and Mrs. Rush, on a farm twenty-
one miles from Davenport, Ia., her
grandfather died, leaving property to
her father, but cutting off his brother.
Subsequently her father's barn was fired
by masked men. Her uncle and Louis
Seibel and a brother of the latter were
arrested and tried for arson but were
acquitted. She declares that Louis Sei-
bel said he would have revenge on her
for testifying against him.

WIFE WITH MONEY
WOULD NOT AID HUSBAND

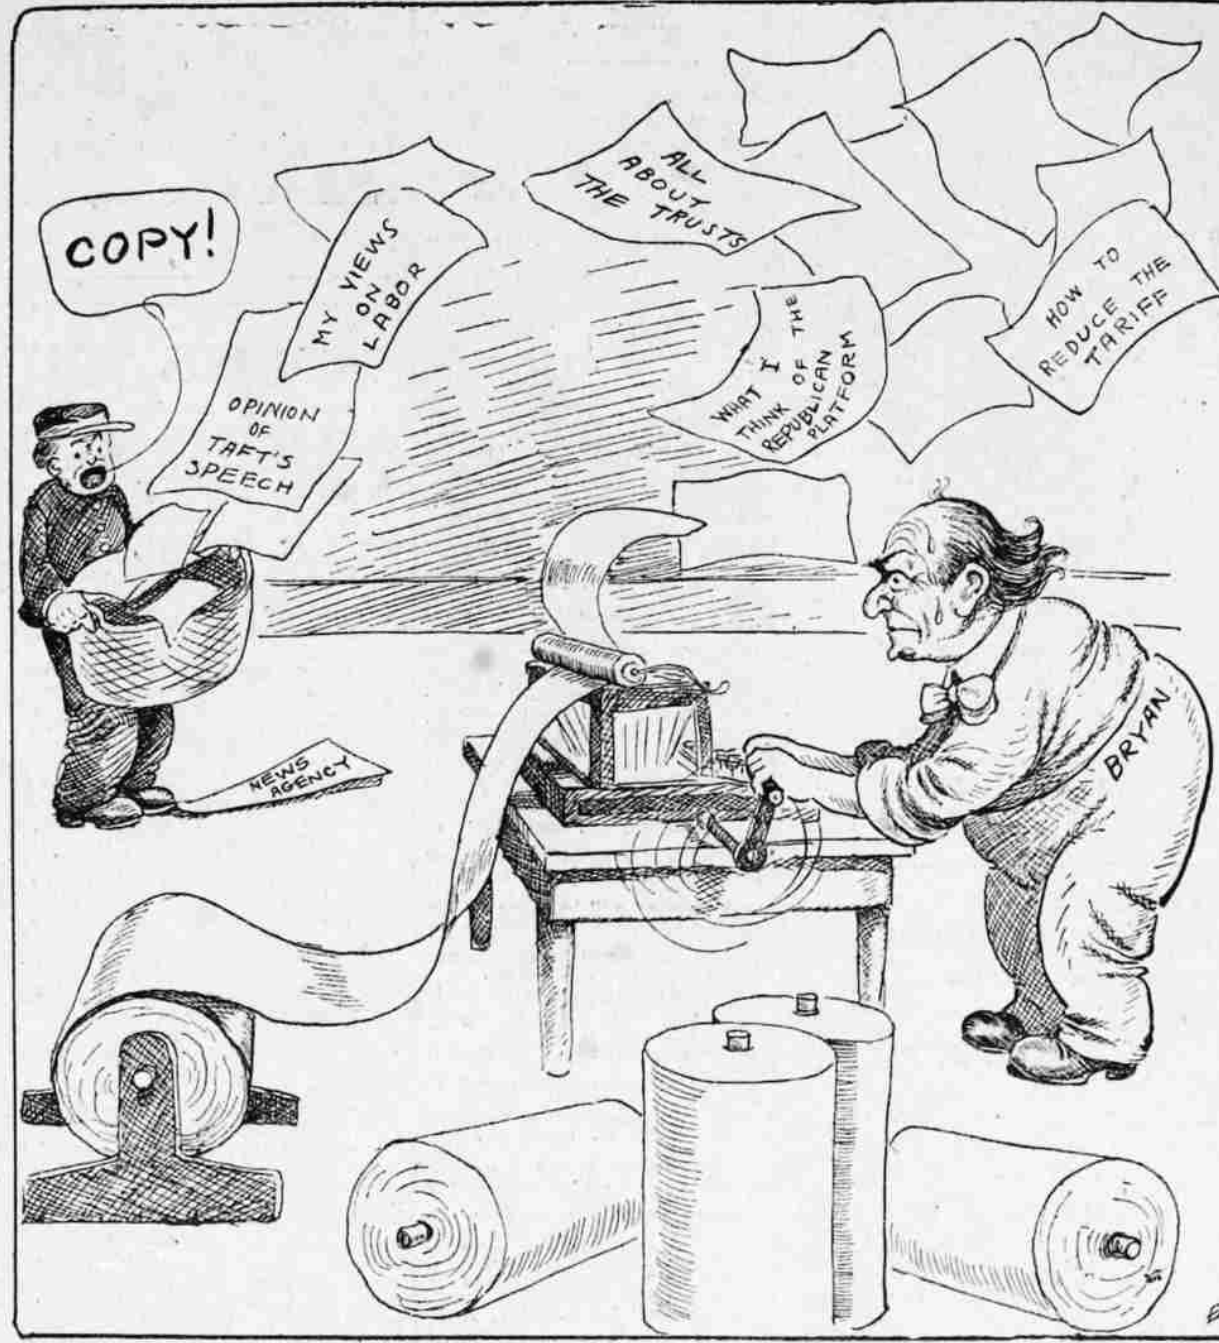

LOS ANGELES, Cal., Aug. 9.—Alex-
andro Garland, who claims to have been
secretary of the Peruvian legation at
Washington, who with Mrs. Louise Gar-
land was arrested Saturday on a charge
of disturbing the peace, was released on
bail today, furnished by Antonio Lo-
zano, Mexican consul in Los Angeles.

The troubles of the Garlands began
Thursday over some letters said to have
been received by Mrs. Garland from men
prominent in Washington public life.
When taken to the central police station
Mrs. Garland gave \$50 cash bail for
herself but refused to assist her hus-
band, who remained in jail over night.

As there is no Peruvian representative
in Los Angeles Senor Lozano furnished
bail for the young man.

Garland was very reticent in regard to
the true reason for the difficulties be-
tween himself and his wife. He said:
"I shall say nothing that might in-
jure her reputation in any way or cause
her pain. She is a niece of Attorney
General Bonaparte and well known in
the east. I was secretary of the Peru-
vian legation in Washington until May,
a year ago, when I was suspended on
account of an altercation with Colonel
Charles A. Edwards, in which I was
stabbed."

Grinding It Out at Lincoln, Neb.

HOPKINS NOW HAS A LONG LEAD OVER FOSS

But Returns Are Not All in;
The Result Is Not Yet
Determined.

CHICAGO, Aug. 10.—At 2:30 o'clock
this morning complete returns from
eighty-eight counties out of 102 coun-
ties in the state gave the nomination
for Republicans:
Deneen, 181,509; Yates, 170,255, giving
Deneen a plurality of returns at
hand of 11,254. Eighty-eight counties
give for the Republican senatorial en-
dorsement:
Hopkins, 117,822; Foss, 99,709; Ma-
son, 71,655.

The situation on the Democratic
ticket outlined early in the night was
confirmed by the late returns. Law-
rence B. Stringer has been endorsed for
Senator and Adlai E. Stevenson has
been nominated for governor.

It is generally believed that, irre-
spective of the popular vote on Sena-
torial endorsement, that a bitter fight
will be precipitated at the next session
of the State legislature between Foss
and Hopkins.

The Democratic state ticket:
Endorsed for United States senator,
Lawrence B. Stringer.
Nominated for governor, Adlai E.
Stevenson.
Lieutenant governor, E. A. Peary.
Secretary of state, J. F. Bedler.
Auditor, Ralph Jeffries.
Treasurer, J. B. Mount.
Attorney general, R. C. Hall.
Republican state ticket:
Endorsed for United States senator
(doubtful between Albert J. Hopkins
and George E. Foss).
Governor (available returns indicate
Charles S. Deneen).
Lieutenant governor, J. G. Oglesby
or F. L. Smith.
Secretary of state, James A. Rose.
Auditor, J. S. McCullough.
Treasurer, Andrew Russell.
Attorney general, William H. Stead.
Clerk supreme court, Christopher D.
Namer.

The result of yesterday's primary
election so far as it is accurately known
in regard to the state officers is given
in the above lists.

Returns Come in Slowly.

Never since when returns were car-
ried by messengers on foot, by ox teams
and by canal boats have definite figures
been so greatly delayed in any Illinois
election as in the one just closed.

Twenty-four hours after the polls
closed it was impossible to give accu-
rate returns on the vote for senatorial
endorsement or the gubernatorial nom-
ination on the Republican ticket.

The vote for the Republican sena-
torial endorsement in Chicago and Cook
counties was:
Hopkins, 40,358; Mason, 39,917; Foss,
30,252, giving Foss a plurality over
Hopkins of 9,894.

In the State outside of Cook county
the contest seems to be fairly even be-
tween Hopkins and Foss, with Mason
falling far in the rear. The general re-
turns were perhaps a shade in favor of
Hopkins, but whether or not his vote in
the outside counties will enable him to
overcome the strong lead gained by
Foss in Cook county is not yet known,
and it will probably be another twenty-
four hours before a positive statement
can be made on the result.

DELMAS GOT \$50,000 FOR HIS WORK, SAYS THAW

POUGHKEEPSIE, N. Y., Aug. 9.—
From his cell in the county jail here
Harry Kendall Thaw tonight gave out
the following statement concerning the
claims filed against him by various law-
yers which he asserts, forced him into
bankruptcy:

"In this morning's paper I read that
Mr. O'Reilly makes a claim for more
money. That it is a matter for former
Governor Stone, my counsel in Pitts-
burg to take charge of. There seems
no reason for me to discuss the dif-
ferent claims and therefore I have nothing
more to say except regarding one fact.

The sums already expended and the
names of the lawyers and others to
whom I paid the money were clearly
stated in the newspapers. There is only
this much to add:

"Besides the heavy total of about
\$417,000 that I paid out myself, my
mother paid our family physician,
my mother also made a present of
\$25,000 to Mr. Delmas. This made, with
his actual fee paid by me, \$50,000 in all
that he received for his able services.
Mr. Delmas's bill for expenses was less
than \$1000 and is included in the \$20,
150 item for detectives and sundries."

Condemn Parole Post.

MILWAUKEE, Aug. 9.—At the closing
session last night of the National Travel-
ers' association convention, a resolution
was adopted commending the parole post
plan, the secretary being instructed to
send a copy of the resolution to every
Congressman and Senator throughout the
United States.

between the ages of 8 and 12,
an infant of two months and an
aged man. Other occupants of
the tenement were injured
jumping from windows, three
severely.

INSTANTLY KILLED AS AUTO TURNS OVER

Wealthy Merchant of Cleveland,
O., and Well-Known Catholic
Priest, Victims.

TOLEDO, O., Aug. 9.—When an au-
tomobile plunged over a steep embank-
ment on the Mitcha road two and a
half miles west of Sylvania this after-
noon, Charles W. Pohlmann, a wealthy
Cleveland merchant tailor, and Father
George Vahey, pastor of Columbians
parish, Cleveland, were instantly killed.

Mrs. Charles W. Pohlmann, her daugh-
ter Florence and F. C. Dietzel, a Cleve-
land dentist, were in the touring car,
but escaped injury.

The automobile landed at the bottom
of the embankment bottom side up.
The priest's head was crushed be-
tween the edge of the car and a huge
stone.

Mr. Pohlmann, who was driving the
machine, was entangled in the steering
gear, the wheel crushing his chest.
Death came to Father Vahey instantly
and Mr. Pohlmann lay less than a
minute. Pohlmann's neck was prob-
ably broken.

The party left Cleveland Saturday
afternoon and spent the night in Fre-
mont. They arrived in Toledo at 10
o'clock today and stopped at the home
of J. J. Malone.

Due to Bad Roads.

The scene of the accident was at the
Elevy bridge across Ten Mile creek.
About 20 feet west of the bridge is a
deep hole in the middle of the road
stretching nearly across it. The hole
was full of water and just after cross-
ing the bridge Mr. Pohlmann guided his
machine to the left side to avoid the
hole. The sides of the embankment at
that point are thickly lined with shrub-
bery and small trees and the party did
not realize that they concealed a steep
bank.

From front wheel of the machine went
over the edge of the embankment just
as the rear wheels struck the edge of
the hole in the road.

The jumping of the rear wheel tossed
the machine over the embankment.

Priest Was Well Known.

CLEVELAND, O., Aug. 9.—Rev.
George V. Vahey, who with Charles W.
Pohlmann, was killed in the automobile
accident near Sylvania today was one of
the best known priests in the state. Ten
years ago he took charge of St. Colum-
bians parish, one of the largest and most
important parishes in the city.

Mr. Pohlmann was a tailor, 45 years
of age. A ten days' automobile trip
through Canada had been planned by
Mr. Pohlmann.

ARIZONA DEMOCRATS
NOMINATE MARK SMITH

PRESCOTT, Ariz., Aug. 9.—Mark Smith
was renominated for Congress yesterday
by the Democratic territorial convention
by a vote of 175 to 42 for his opponent,
Brady O'Neill of Maricopa county.

The platform declares for direct primary
for the nomination of public officials; in-
dorses the national platform; declares for
regulation of the telephone, telegraph and
express companies; and pledges the party
to work for lower freight and passenger
fares.

ernment.

DEMOCRATS BEGIN SCURRY FOR CASH

Ways and Means of Securing

cussion at Chicago.

EXPECT TO ELECT BRYAN
BY VIGOROUS CAMPAIGN

Sum Received by Treasurer
Haskell Thus Far Only
Amounts to \$19,000.

CHICAGO, Aug. 9.—Ways and means of
financing the Democratic national cam-
paign were discussed at length today at
a meeting of Chairman Mack of the na-
tional committee, Governor Charles N.
Haskell of Oklahoma, treasurer of the
committee, Colonel Moses C. Wetmore of
St. Louis, chairman of the finance com-
mittee, and the editors of the Chicago
tribune, former treasurer of the national
committee. No definite decision was
reached, but the subject of raising a fund
of sufficient proportions to maintain
an effective three months' campaign
was discussed in detail. The various
heads of the subcommittees met to-
morrow.

No Decision Reached.

Neither Governor Haskell nor Colonel
Wetmore have formed any definite plan
for raising a campaign fund, although
both are confident that the committee
will not lack funds to meet all legitimate
expenses of a lively Presidential fight.

While the suggestion has been made that
a fund of half a million dollars would be
sought, both Governor Haskell and Colonel
Wetmore declared that no definite sum
had been settled upon. After one in-
formal meeting on the financial proposi-
tion today, Governor Haskell said:

"I have every confidence that the com-
mittee will obtain all the funds needed to
wage a hard fight for Mr. Bryan, though
as yet no plan has been determined
upon. I have made no appeal for
money, but have already received \$19,000,
which came unsolicited. No definite
sum has been fixed for a fund which in
our party must be collected from the plain
people."

Colonel Wetmore said he would call a
meeting of the national committee to-
morrow to devise some way to secure the
money.

Dimes, Not Dollars.

"This is a Democratic year," said
Colonel Wetmore, "and the Republicans
will need dollars where we need dimes.
Of course, the Republicans will get their
money from corporate interests, from
sires and federal officeholders, just as
they have always done, but we must
get our money from the people. They
will be elected. Raising money is no
easy task and if anyone covets my job
and thinks he can do better he can have
it."

John A. Mason, secretary of the Demo-
cratic State committee of New York,
called on Chairman Mack today and it is
understood the gubernatorial situation in
New York was discussed.

SEVEN DEAD LEFT IN PATH OF BIG STORM

SZGEDIN, Austria, Aug. 9.—The
thunder storm which passed over this
province and during which a large
factory collapsed, burying a number of
workmen, caused more or less damage
to every house in town.

The only loss of life, however, oc-
curred in a hemp factory in course of
construction. A tall chimney which had
just been erected fell on a partially
built heating house on which a hun-
dred workmen were employed. Many
were caught by the falling masonry
and buried. Thus far seven dead and
thirteen wounded have been taken care
of.

Shrieks of the wounded and dying
could be heard in the ruins of the found-
ry, but the firemen found it impos-
sible to rescue all of those who had been
buried in the debris owing to the violence
of the storm.
